ABOUT ME

With 3 years of experience in web design and e-commerce development, I've led successful projects spanning diverse industries. My expertise lies in integrating intuitive design and optimization strategies, driving both client growth and digital visibility. Moreover, I enhance my work with the use of HTML and CSS, complementing my proficiency in web design and e-commerce development. Together, these capabilities ensure the creation of visually appealing websites and contribute to an enhanced user experience, marking a clear differentiation in the competitive web design landscape.

EXPERIENCE

2015 - 2016

Multinational Force and Observers (MFO)

Interpreter for the Colombian army in the Multinational Force and Observers in the Sinai Peninsula, Egypt. During my time in this position, in addition to my responsibilities as an interpreter.

2018- 2019

Scotiabank

Bilingual Agent at Scotiabank. My role involved handling incoming calls, providing customer service, and having extensive knowledge of the bank's products. During my time in this position, I was able to develop my communication skills in English and Spanish, as well as my ability to solve problems and provide effective solutions to customers.

2021-2023

Web Designer

Go Staffy 2024 (Diciembre-Febrero)

In my experience at Gostaffy as a web designer, I have had the opportunity to work on the creation of designs for various sectors, including marketing agencies and independent companies.

Independent Web Designer

During my 3-year journey as a web designer and e-commerce developer, I have had the privilege of leading and contributing to numerous successful projects across diverse industries. My passion for creating functional and user-friendly solutions has been the driving force behind my work.
