ABOUT ME

With 5 years of experience in web design and e-commerce development, I've led successful projects spanning diverse industries. My expertise lies in integrating intuitive design and optimization strategies, driving both client growth and digital visibility. Moreover, I enhance my work with the use of HTML, CSS and JavaScript, complementing my proficiency in web design and e-commerce development. Together, these capabilities ensure the creation of visually appealing websites and contribute to an enhanced user experience, marking a clear differentiation in the competitive web design landscape.

EXPERIENCE

2023-2023

Web Designer

Go Staffy 2024 (December-February)

In my experience at Gostaffy as a web designer, I have had the opportunity to work on the creation of designs for various sectors, including marketing agencies and independent companies.

2024

Web Designer

Huella Digital (February-July)

I worked as a web developer at Huella Digital, where I developed websites using Shopify and WordPress. I followed the latest standards and utilized skills in CSS, HTML, and JavaScript to customize templates and functionalities.

2024

Web Designer

QRM (August-November)

At QRM, I have maintained, designed, optimized, and managed over 50 websites. Collaborating closely with the marketing team, we work as a cohesive unit, staying up-to-date with the latest trends and best practices. This teamwork has been instrumental in understanding and delivering tailored solutions for clients across diverse industries.

Independent Web Designer

During my 5-year journey as a web designer and e-commerce developer, I have had the privilege of leading and contributing to numerous successful projects across diverse industries. My passion for creating functional and user-friendly solutions has been the driving force behind my work.
